

Vision of Rukararwe and Partnership Groups

The Partnership Workshop for Rural Development

is a model

how to live in this world

not perfect, but learning from mistakes

and encouraging one another

sharing

spiritual life and work in projects:

<p>1, Eco – Travelling.</p> <ul style="list-style-type: none">• discovering and conserving nature• intercultural sharing / social projects <p>2, Protection of Nature:</p> <ul style="list-style-type: none">• farming (cow project, agro forestry)• tree planting and nursery bed developments• earth brick technology / construction• compost toilette• energy saving (cooking stoves)• solar technologies for water and sanitation	<p>3, Psychosocial work and support</p> <ul style="list-style-type: none">• holistic healing (traditional and western medicine), Anti-AIDS project• counseling and grieving services• Rwanshetsya orphanage <p>4, Education, skills development for renewable energy (see 2) women and youth work</p> <p>5, Intercultural and inter-religious work / dialogue</p> <p>6, Structure and Organizational Development</p>
---	--

All this work has to become self-reliant and sustainable
by sharing the efforts and the costs within all participants and consumers.

AIMS:

Unity in Diversity

sharing and learning

how to live

- **in justice**

against the gap between rich and poor

against corruption

- **in peace, shalom, salam...**

understanding by listening to one another

living in a process of reconciliation

- **in protecting nature**

tree planting

holistic healing

being careful in love
